

ONE TAM

This unique southwest orientation displays a network of trails encompassing the 46,000 acres that cover the TLC's area of focus. Radiating from the top of Mt. Tam to include all of Mount Tamalpais State Park, Muir Woods National Monument, and MMWD's watershed lands on Mt. Tam, the area also includes portions of the Golden Gate National Recreation Area and several Marin County open space preserves, including Gary Giacomini, White's Hill, Cascade Canyon, Bald Hill, King Mountain, Blithedale Summit, Camino Alto, Haffee Hill, and Bothin Marsh.
